Western Dressage Association® of America and Dressage Illustrated Offer New Education Opportunities

Parker, Colorado – The Western Dressage Association® of America (WDAA) and Dressage Illustrated have partnered to release Rider and Judge Books for all sixteen (16) WDAA Western Dressage tests. The WDAA is excited for these offerings as Dressage Illustrated books give equestrians the ability to both visualize a test and ride it correctly.

Dressage Illustrated books offer diagrams of each WDAA written test. These diagrams have proven to be a valuable educational tool for riders as well as a respected reference for judges. The books also include definitions of the gaits and movements to help the rider's understanding and the judge's evaluations. All coefficient movements (with double point values) are shaded for easy identification. Plus the books are conveniently sized and designed to withstand consistent use.

Dressage Illustrated books are offered in both Rider and Judges Editions. For Riders an independent book is available for each level of WDAA Western Dressage tests and included definitions to assist in understanding the discipline, gaits and elements; helping to capitalize on learning and understanding expectations. The Judges book includes all levels, any updates and all quick reference diagrams to maximize usability for judges.

To order books online please visit the available link via the WDAA website www.westerndressageassociation.org or Dressage Illustrated at www.dressageillustrated.com. These Western Dressage Books may also be purchased by phone, fax, email or US Mail.

About Dressage Illustrated: Since 1990, Dressage Illustrated has been a United States standard for learning new dressage tests. Riders find the graphical illustrations of the written tests a tremendous aid in visualizing the test and riding it correctly. Dressage Illustrated partners with FEI, USEF, USDF, USEA and the WDAA to offer supporting books for equestrians. For more about Dressage Illustrated and to order books, please visit: www.dressageillustrated.com.

About the Western Dressage Association® of America: The Western Dressage Association® of America is a 501(c)(3) educational non-profit organization focused on providing a model of horsemanship which optimizes the partnership of horse and rider for their mutual benefit. The mission of the Western Dressage Association® is “to honor the horse, to value the partnership between horse and rider and to celebrate the legacy of the American West” which it focuses on through its offerings of educational opportunities and events to the equestrian community. To discover more about the WDAA, please visit www.westerndressageassociation.org.
